## THE PRESIDENT I

---

Powerful and bold, THE PRESIDENT I is a rimless navigator radiating authoritative style. A sophisticated top-bar construction with "Double-M" screw design supports the custom lenses with lasered MAYBACH logo. Handcrafted fine wood temples in new MAYBACH colourways include dynamic cut-outs inspired by the automobile design language, while connoisseurs will immediately spot the "Flowing Lines" embossing and 3D logo on the elegant end-pieces.

## THE MAGIC I

---

The curving lines of the MAYBACH sun lenses and striking two-tone wood temples harmonize perfectly with the strong end pieces of THE MAGIC II. The front is fashioned from ultralight titanium with precious metal plating.

Handcrafted temples display a selection of extraordinary colour combinations, also presenting the classic MAYBACH logo in shimmering style with mother-of-pearl insets. Iconic MAYBACH lettering and logos are also found on the end pieces, tops of the temples, and nose pads, as well as on the custom sun lenses.

UNIQUE RADIANCE  
**MAYBACH EYEWEAR  
PRECIOUS  
COLLECTION**

---

MAYBACH Eyewear's latest precious collection encompasses opulent and beautiful "eyewear celebrities" adorned with gold, platinum and glittering diamonds.

We enhanced our most sophisticated and enduring designs with the finest precious materials to create irresistible eyewear masterpieces. The timeless styles were adapted to meet exclusive contemporary tastes, and each handcrafted frame shows off a wealth of iconic MAYBACH details. In addition to solid 18K gold, white gold and rose gold, exquisite luxury materials such as platinum-plated titanium, precious woods and genuine buffalo horn are used to handcraft this outstanding eyewear. Jewelled options with a stunning setting of highest quality diamonds complete the unparalleled collection.

# THE SYMPHONY

## *Diamonds*

---

The elegantly simple lines of THE SYMPHONY I Diamonds are highlighted by the eye-catching sparkle of first-class diamonds set by hand in a display of master craftsmanship. The titanium front is plated with precious metal, providing a fitting setting for the radiant gems. Framing an iconic MAYBACH logo, the diamonds sweep around the smooth curves of the end pieces decorated with the "Flowing Lines" pattern and continue along the temples. Beautiful and unique natural horn in contrasting colours forms the main part of the handcrafted temples, with a precious-plated tip adding balance and rounding off the look.

DEDICATED TO PERFECTION

## HANDMADE IN GERMANY

---

The dextrous hands and experienced eyes of the MAYBACH Eyewear craftspeople create an individual masterpiece in each frame, delicately balancing traditional and modern production techniques. In addition to the charisma of unique materials, it is the multitude of handcrafting skills and a passion for perfection that create the individual charm of every single frame.

Each individual handcrafted model from MAYBACH Eyewear is made in our own atelier in Germany.

Traditional handcrafting techniques that have grown with the experience of years and innovative, new methods combine to create real gems. Only exclusive materials from the best sources are considered, carefully selected and painstakingly worked into irresistible one-of-a-kind pieces.

## NATURAL GRACE FINEST WOODS

---

Seven ultra-fine veneers are bonded into a single piece, which is unique in its colours and qualities. Only the finest and most elegant woods are hand-selected, in some designs combined with carbon fibres or painstakingly crafted mother-of-pearl inlays, finally glowing under eight coats of piano varnish.

## AUTHENTIC HARMONY GENUINE BUFFALO HORN

---

Obtained in harmony with nature and meticulously worked by hand, horn from the Asian domestic water buffalo offers the wearer warm, skin-friendly comfort. The typical material structures and colours are unmistakable.

## FIT FOR EXTREMES PURE TITANIUM

---

Titanium is as strong as steel and has the highest strength-to-weight ratio of any metal. It is valued for its lightweight, durable, hypo-allergenic and non-corrosive properties. MAYBACH Eyewear uses pure titanium with an exclusive precious metal plating of 24 karat gold, 18 karat rose gold, platinum, palladium or ruthenium.

## THE SOURCE OF THE SHINE DIVINE GOLD

---

MAYBACH Eyewear exclusively uses solid 18 ct. (750‰) gold in Yellow, White and Rose variations – composed from pure gold, combined with the perfect mixture of elements such as silver or copper. The pinnacle of luxury.

## GEMSTONE PURITY BRIGHT DIAMONDS

---

MAYBACH Eyewear can be customized with diamonds to create a true one of a kind. Only diamonds of first-class quality are selected to create the optimum brilliance.

## BEST OF THE BEST ZEISS LENSES

---

MAYBACH and ZEISS share the same passion for perfection, innovation and technology. The „Z“ logo engraved in every lens lives as proof of the uniqueness and authenticity of the ZEISS heritage and precision. In order to ensure maximum protection for your eyes we have chosen top-quality Carl Zeiss lenses. These shield your sight with optical perfection.
